A Notice of Claim and Notice of Hearing had been received from the Employment Tribunal dated 3rd August requiring a response by 31st August. The Claim was in respect of loss of earnings for the period 01.04.22-30.04.22 for £654.00.

Following a discussion in respect of this employment matter, it was noted that all the current councillors were not part of the council when the issue occurred, but having carried out due diligence it was proposed by Cllr Church, seconded by Cllr Wayman, all unanimously in favour, that the offer should be made to the claimant to settle the claim. It was agreed that Cllr Wayman would write to the claimant offering to settle the claim and also to request that the claimant withdraw the Subject Access Request, asking that the claimant respond within five working days.
